技能

平面/ 界面设计技能

Adobe Photoshop
Adobe Illustrator
Adobe Indesign
Adobe XD
Sketch

建模以及渲染

Rhinoceros
Sketch up with v-ray
AutoCAD
Lumion
Twinmotion

办公

Microsoft Word
Microsoft Excel
Microsoft Powerpoint

编程技能

C#, Javascript (学习中)

多媒体

Unity 3D
Adobe Premire

其他

创造力, 同理心, 领导力

教育背景

西交利物浦大学
建筑学学士

2015. 09 - 2017. 06

对建筑设计有了基本的理解, 大一时期主要是激发创造力。大二时期, 逐渐开始掌握各类制图工具，审美能力得到提高， 批判性思维得到了锻炼，因为学校是全英文教学因此英语水平有很大提高。

利物浦大学 (University of Liverpool)
建筑学学士

2017. 09 - 2019. 06

大三、大四时期和大二时授课内容相似，但是更加深入,。我开始思考以人为本的设计(用户体验大于视觉效果), 开始变得自信, 在各种小组项目担任组长，表达能力得到进一步锻炼。

伦敦大学学院 (University College London)
建筑计算硕士

2019.09 - 2020. 09

我意识到比起建筑设计, 我在用户体验、交互设计这方面有更强烈的兴趣, 因为我的设计更考虑实际用途更考虑用户体验, 然而建筑师过于追求视觉效果表达而牺牲用户满意度与我的设计理念相悖。于是我选择了这个专业, 学习基本的编程技能, 以及收获了交互方面的知识。

实习经历

重庆煤炭设计研究院

2017. 01 - 2017. 02

作为建筑实习生, 主要工作是辅助职业建筑师画图以及修改图，参与项目设计。

海外志愿者经历

在乌克兰利沃夫市"World without broader"学习营作为志愿者教师
2016. 06- 2016. 08

在大一暑假期间, 自认为专业技能在各方面还不够熟练于是放弃实习的想法, 但同时又不想虚度浪费3个月暑假时光, 于是决定去乌克兰做志愿者老师, 既帮助了他人自己又得到了锻炼。

Adobe Premire

EDUCATION

Xi'an Jiaotong Liverpool University
Bachelor of Architecture

2015. 09 - 2017. 06

I had a basic understanding of architecture, and it inspired me to be creative in year 1, and in year 2 more related lessons were given. I learnt design strategies and command a wide range of computer software. Besides, my English language skill also improved a lot .

University of Liverpool
Bachelor of Architecture

2017. 09 - 2019. 06

The core modules in year3 were similar to year 2, but the content got more difficult to understand, and need more time to undertand and command. I command more related computer skills and other architectural skills in different aspects.

University College London
Master of Architectural Computation

2019.09 - 2020. 09

I realize I have a stronger interest in User Experience Design and Computation, Hence I chose this program. I learned some Computer science and interaction knowledges here.

Intern Experience

Chongqing Design Institute of China Coal Technology
2017. 01 - 2017. 02

Working as an assistant and help professional architects to finish their work.

Volunteer Experience

Volunteering in a study camp as a volunteer teacher in Lviv, Ukraine
2016. 06- 2016. 08

It was in my summer break of year 1. I did not command enough related skills to take an internship. However, I did not want to waste my time, and I would like to do something meaning. That's why I worked in Ukraine as volunteer.
